MICE Made More

Our lives move in different directions and we fill them up with wildly varying experiences. We want to work, play, travel and rest in exciting locations that stir our souls. Move in your own rhythm, escape at any moment and always be sweetly surprised.

Our spaces tickle your senses and inspire the unconventional, we've created a new way of doing business. Full of smart ideas and sustainable touches, these are multi-functional rooms that can bend and flex to suit your needs.

For whatever reason you're travelling, we give you the flexibility and freedom to be yourself. Whichever you that is.
